Move-In Tips

Tip #1

Talk with your roommate to coordinate who brings which items.

Tip #2

Every resident is strongly encouraged to carry renter's insurance. Kennesaw State University Housing and Residence Life is not responsible for damages to or loss of personal property. You can obtain such insurance at a minimal cost annually. You may also be able to get a rider policy added to a parent or guardian's homeowners policy.

Tip #3

Do NOT bring prohibited items such as space heaters, candles, hotplates, oil lamps or pets.*

*Residents are allowed to have fish in a 10 gallon or less tank.
