

HOUSING CHECKLIST:

Applying for On-Campus Housing Step-by-Step Guide

Congratulations on being accepted to Kennesaw State University, and thank you for your interest in living on campus!

STEP 1 BEGIN THE HOUSING APPLICATION (www.housing.kennesaw.edu)

Once you have been accepted, you can log in to the Housing Portal using your KSU student email and password. The Housing Portal is where you begin the process by creating your resident profile and signing the License Agreement.

For students applying for on-campus housing for the first time, there will be a \$200 non-refundable application initiation fee that will be collected at the end of Step 1.

STEP 2 ROOMMATE SELECTION

During Step 2, you have the option to search and select one roommate for the 2020-21 academic year. You will receive an email from us with your time ticket for Roommate Selection on March 16, 2020. If you are interested in choosing a preferred roommate, you must do so before April 10, 2020. We recommend watching the video in the portal before beginning this step to understand how to select a preferred roommate.

STEP 3 ROOM SELECTION

During Step 3, you will search for and select a room assignment for the 2020-21 academic year. You will receive an email from us with your time ticket for Room Selection on April 13, 2020. Once your time ticket is active, you may log in to the Housing Portal and select a room for yourself and your preferred roommate (if applicable). We recommend watching the video in the portal before beginning this step to understand how to select a room.

STEP 4 ORIENTATION AND MOVE-IN

After selecting and confirming your room assignment, make sure you sign up to attend Ignition: New Student Orientation and prepare for Move-In. Over the summer, we will email you and send you mail at your home address with important information you will need for a smooth Move-In process. Look out for future communication from us and visit ksuhousing.kennesaw.edu if you have questions.

STEP 5 GET CONNECTED

Now that you have selected a room, connect with us! Follow us on Instagram and Facebook (@HousingKSU) to stay up-to-date on all of the fun events and essential information that you need to know.
