Kennesaw State University’s Housing and Residence Life team, together with your Resident Assistant staff, is working hard to create a comfortable living-learning environment for you. Please do not hesitate to contact the Resident Assistant (RA), Senior Resident Assistant (SRA), Residence Director (RD) or the Area Coordinator (AC) in your community with any questions or concerns you may have.

This handbook is designed to assist in the transition to living on campus. Please be sure to read this information thoroughly and contact a staff member with any questions. We are glad you are here!

Sincerely,

Your Housing and Residence Life Team

This handbook is for informational purposes only. It is not a contract and should not be construed as such. This handbook is accurate but is subject to change. For the most updated and accurate information, please visit the Housing and Residence Life website at ksuhousing.kennesaw.edu. Email is the official method of communication at KSU, and it is the responsibility of the students to frequently check their KSU student email account and keep all other contact information current.
Thank you for choosing Housing and Residence Life at Kennesaw State University. Whether this is your first year on campus or you are a returning student, we are happy to have you.

Our team wants you to have an amazing experience in on-campus housing. Get active, get involved and take advantage of the amenities in the residential communities and on campus. These years will never come again, so make the most out of them.

If there is anything we can do to assist you along the way, please let us know.

Go Owls!

The lockers are located on the second floor of the Marietta Student Center inside the game room.

When your package is ready to be picked up, you will receive an email notification from Amazon with a shipment tracking ID and a unique pick-up barcode. To open the locker, scan your barcode or enter the tracking ID on the Amazon Hub Locker screen. You have three (3) days to pick up your package. If you do not pick up your package, it will be returned for a full refund.
WHAT CAN WE DO FOR YOU?

**AC**
Area Coordinators are full-time professional staff members. The ACs supervise the Residence Directors for the various communities. The ACs handle oversight, administrative tasks and serve as conduct hearing officers for incidents that take place in their area.

**RD**
Residence Directors are full-time professional staff members who live on campus and work in our community offices. RDs are trained to supervise RAs and work with college students. RDs advise the Community Council and also serve as conduct hearing officers.

**SRA**
Senior Resident Assistants are student leaders who live in your building or community. They work with the RAs to help and to facilitate building a community with your neighbors. They offer social and academic programs, serve as a resource, and help maintain reasonable standards of community citizenship.

**RA**
Resident Assistants are student leaders who live on your floor and/or in your building. They are here to help and to build community. They offer social and academic programs, serve as a resource and help maintain reasonable standards of community citizenship.

We want to get to know you, too! Connect with us on social media by following our Instagram account @housingksu and “like” our Facebook page, Kennesaw State University Housing and Residence Life. Tag us in your photos on campus and in your residential community. Use the #whereowlslive hashtag to keep up with other fun events happening in your community. Also, you can direct message us with any questions, concerns, or feedback that you may have.

Make sure you know who is your RA, SRA, RD and AC plus where and how you can contact each of them. Their information can be found on the website (ksuhousing.kennesaw.edu) or by calling (470) 578-8663.
• All Residential students can be actively involved with our Residence Hall Association by attending our town hall meetings or applying for a community council position. Through RHA, residential students have opportunities to develop event-planning skills, attend conferences, and engage in community advocacy.

• Each year, RHA hosts fun campus traditions such as Monsterball and Spring Fest.

• Be sure to ask your RA for information about upcoming events, and about how to get involved with RHA!

ROOMMATE CHECKLIST

THE BASICS
So you’ve moved in, and have met your roommates. Now what? Help get your year off to a great start by going over these discussion points with your roommates.

☐ Hometown and family  ☐ Study habits (do you prefer quiet, alone or in groups?)
☐ College major and career goals  ☐ Musical and television tastes
☐ Talents and hobbies  ☐ Eating habits, food and allergies
☐ Likes and dislikes  ☐ Cleaning habits
☐ Sleeping habits (are you a morning or evening person?)

LIVING TOGETHER
Take some time to talk about the common-area practices and preferences:

☐ Cleaning  ☐ Communicating phone messages, etc.
☐ Furniture arrangements and decorations  ☐ Acceptable noise levels and quiet times
☐ Borrowing and sharing: what and when?  ☐ Guests: how many, how often and overnight guests
☐ Bedroom entry and privacy  ☐ Special expectations or needs
☐ Temperature preferences

Be respectful and accept that being different does not mean being wrong. This is a great time to grow and learn new things from new people.
PARENT AND FAMILY ASSOCIATION (PFA)

Want to help your parents connect to the KSU community? The KSU Parent and Family Association is the perfect place to start!

Visit pfa.kennesaw.edu for more information or contact the Parent and Family Association at family@kennesaw.edu. We also encourage your parents to join the Housing Community on the Parent Portal for regular updates regarding on-campus living.
A big part of the college experience is engaging in various activities sponsored by the University and its affiliates. These activities vary in level of risk, and your voluntary participation should be determined based on your comfort level with the risk involved, your ability level and well-being. Any activities that you and your invited guests choose to engage in are at your own risk, and by choosing to participate you may be asked to sign a waiver where you agree to hold harmless and indemnify Kennesaw State University, Housing and Residence Life, the Residence Hall Association and affiliated councils, the KSU Foundation, and the Board of Regents of the University System of Georgia, including all staff and volunteers. If you are still a minor, you may need to have a parent or guardian sign the waiver before you are able to participate. If you choose to invite any guests to participate in any activities for which guests are permitted, you are solely and fully responsible for your guests at all times, and the University and all aforementioned parties assume no liability for you and/or your guests. Should you have any questions or concerns, address those with the Housing and Residence Life in advance of your participation. Should you need assistance or attention while participating in any activities, notify the sponsoring staff immediately.
Housing and Residence Life adheres to all laws, policies and procedures regulating the distribution of information and encourages all residents to do the same.

- Information will only be shared directly with the student(s) involved.
- Students sharing information inappropriately will be held responsible through student conduct.
- Students may waive their right to confidentiality but must do so in writing prior to release.
CADEMIC SUCCESS

Housing and Residence Life exists to enhance and support the educational experience; therefore, all reasonable efforts will be made to create academic and behavioral accountability that fosters an environment conducive to academic success.

• All residents are required to be in good academic standing and enrolled at KSU full-time during both the fall and spring semesters.
  
  • Residential students who are not enrolled in any credit hours at any point during the fall or spring semester must vacate on-campus housing immediately. If your circumstances may warrant an exception, a request must be emailed to housing@kennesaw.edu.

  • Residential students taking fewer than the required credit hours must discuss their circumstances with the appropriate Area Coordinator (AC) to receive permission to stay in on-campus housing. It is best to submit requests before dropping classes.

• Summer enrollment may be required on a case-by-case basis depending on individual academic performance and progress during the fall and spring semesters.

Specific performance measures must minimally comply with the standards set by the University, specific college and major department, but may be increased beyond minimums as deemed appropriate by Housing and Residence Life. By choosing to live in on-campus housing, students grant permission to Housing and Residence Life to monitor academic enrollment, progression and success rates.

• All residential students may be removed from on-campus housing for failure to remain in good academic standing or to continue reasonable academic progression. Residents removed for academic reasons are still financially responsible for the terms of their housing contract.

• Students seeking on-campus housing for future semesters may be denied.
DID YOU KNOW...

RAas host regularly scheduled floor meetings. You should plan to attend these meetings since important information about living on campus will be discussed.

Your Resident Assistant is a great resource.

- On any given day, there are 20+ Housing and Residence Life staff members on-call to assist with everything from maintenance concerns to campus safety and well-being.

Get involved!

There are over 300 organizations on campus to join. Connect with Student Life and visit owllife.kennesaw.edu to see which one is right for you.

Alcohol Regulations

- Alcohol is allowed in the following buildings if the students are at least 21 years old.
  - Kennesaw Campus: Austin Residence Complex
  - Marietta Campus: Hornet Village 100, University Commons, University Courtyard and University Columns

- All other communities on both campuses are considered “dry,” meaning no alcohol is allowed in the building regardless of age.

- Designated First-Year buildings in Austin Residence Complex are “dry” communities as well as apartments in which all students are under the age of 21.

Meal Plan

- All residential students are automatically assessed a Meal Plan upon enrollment. To view or add to your Meal Plan, visit dining.kennesaw.edu.
Housing and Residence Life offers a robust and saturated WiFi network for residents. Residents are not to interfere with the Residential Network (WiFi) provided by Housing and Residence Life. Residents will only be able to connect to the internet through wireless means within the housing communities. Residents with desktop computers need to purchase a wireless adapter to connect to the internet. All residents will need to create an account through Apogee, and guests will need to log on through the guest option. To provide this amenity for all residents, the following is prohibited:

- Connecting personal ethernet cords and/or routers to ethernet ports
- Tampering with or removing access points (community routers)
- Illegally downloading content, which could result in copyright infringement charges

We look forward to you being able to pursue both your academics and entertainment within your personal space.
As a resident at KSU, you assume an obligation to conduct yourself in a manner compatible with the University’s function as an educational institution. This Residential Code of Conduct defines the institution’s expectations of all on-campus residents. Any violations of these codes of conduct will be reported to Housing and Residence Life or student conduct personnel. Jurisdiction of these violations shall be held by the Department of Student Conduct and Academic Integrity (SCAI) and the Vice President for Student Affairs or their designated representative and handled in the manner stipulated for non-academic grievances. The Residential Code of Conduct is a subset of the KSU Codes of Conduct and applies to all students as well as non-students. All Kennesaw State University students and others who reside or visit on-campus housing shall abide by the following rules and regulations.

Follow the link below to read KSU’s entire Code of Conduct:

[scai.kennesaw.edu/codes.php](scai.kennesaw.edu/codes.php)
Living in on-campus housing means you are a part of our community, and within this community, there are rules and regulations to make sure each student is safe and has an enjoyable experience. Please take time to review the rules and regulations at the link below and let us know if you have any questions.

ksuhousing.kennesaw.edu/docs/rules-regulations.pdf
Move-In/Move-Out Procedures
Residents are required to follow established procedures when moving in and out. To ensure a safe and orderly move, please follow these procedures carefully. If you have questions about the process, please contact Talon One at talonone@kennesaw.edu or (470) 578-8663.

Protection of Possessions
You are urged to purchase renter’s insurance for protection against loss or property damage, or you should check to see if you are covered by another homeowner’s policy. To protect your personal possessions, we suggest the following in addition to having insurance: lock your room and apartment at all times; record serial numbers of your possessions; and take valuable items with you if you are gone for an extended period.

Recreational and Service Areas
Residents agree to abide by additional rules and regulations established for the use of recreational and service facilities provided by Housing and Residence Life.

Room Entry
Residents enter into a housing License Agreement ONLY for their own bedroom and a portion of the common area. Residents are prohibited from entering any other space (vacant, or occupied, locked or unlocked) without expressed approval from the occupant of that space. Violation may result in student conduct action, substantial fines, and possible conviction.

Room Inspection and Search Policy
KSU officials and Housing and Residence Life staff reserve the right to enter student apartments under certain conditions. Entry into occupied apartments or rooms is divided into three categories:

Inspection
Entry to ascertain health and safety conditions, or to check the physical condition of the space. This is typically done twice a semester with advance notice.

Search
Entry for the purpose of investigating suspected violations of University regulations and/or city, state, or federal law. Campus authorities will not enter the room or unit for purposes of search without permission from the resident(s) or prior permission from the Sr. Director of Housing and Residence Life, Vice President for Student Affairs, or designees, or in compliance with state law.

Note: Permission to search is not required when contraband to be confiscated is in view of the University authority.

A request for permission to search may be made when reasonable cause exists to suspect that a violation is occurring or has occurred. A copy of the authorization form shall be presented to the resident(s) or left in the room/apartment if the resident(s) is absent. The authorization form contains the place searched, name of the person giving authorization, descriptions of items sought, and name of the requestor.
Emergency
Entry when the delay necessary to obtain authorization constitutes a danger to persons, property, or the building. In such cases, campus authorities may enter immediately.

Should a resident believe that a University staff member misused or abused their authority to inspect a room, the resident should submit a written complaint to housing@kennesaw.edu.

Vehicles and Parking
All residents are required to park in the designated parking areas for each community. Residents may register up to five vehicles online at parkingportal.kennesaw.edu, but only one vehicle may be parked on campus at a time. Guests must park in designated guest parking, and must comply with any time limits. Recreational vehicles, boats, jet skis, etc., are prohibited on campus. Housing and Residence Life staff reserves the right to remove or refuse parking to any vehicle, which may endanger life or property, or is not properly maintained or legally registered. Non-operable, abandoned, or unauthorized vehicles will be removed by Housing and Residence Life at the expense of the resident or another owner, for storage or public or private sale, at Housing and Residence Life staff’s discretion, and the resident or owner shall have no right of recourse against Housing and Residence Life staff. Housing and Residence Life staff shall determine the definition of non-operable, abandoned, or unauthorized vehicles.

The term “vehicle” includes, but is not limited to, both motorized and non-motorized vehicles such as automobiles, trucks, vans, motorcycles, boats, trailers, campers, mobile homes, motor homes, commercial trucks, buses, and heavy motorized or mechanized equipment or vehicles.

An “abandoned motor vehicle” shall include, but is not limited to, any vehicle, motor vehicle, or trailer that has been left unattended on the community property for a period of not less than thirty days without anyone having made a claim. Vehicles parked in spaces with time limits may be removed prior to thirty days.

Vehicle Maintenance and Cleaning
Washing vehicles and performing mechanical work is strictly prohibited on the premises unless special areas are designated at the Housing and Residence Life staff’s sole discretion.

Emergency Repossession:
The provider reserves the right to repossess a resident’s room space in the event of an epidemic or other health concerns. If a resident should contract a communicable disease, the resident may be required to leave the room space until the resident is no longer contagious. This is due to the hazard of infecting others in the residence hall community.

Housing Safety Regulations
Following a few common-sense precautions can help keep our communities safe for everyone:

- Lock the doors of your vehicle at all times
- Report suspicious persons or activities immediately
- Be alert and take responsibility for your community
- Do not allow strangers into your apartment/community
- Do not put yourself into compromising situations
Guest Policy
For the safety of our residential communities and to limit the spread of COVID-19, residents are not allowed to have guests without a 2020-21 License Agreement.

Decorations
Decorative items such as fishnets, parachutes, and other items that are flammable are not permitted in residents’ rooms and are prohibited unless they have been fireproofed. Only UL-approved lights may be used. Decorations may not be visible from outside the apartment, with the exception of holiday decorations, which must be:

- Appropriate for the holiday being celebrated
- Displayed only during the time period immediately surrounding the holiday
- Appropriate for a community living environment
- In compliance with all fire and facility regulations
- Due to fire/facility damage risk, live cut trees are not permitted
- For health and safety reasons, objects once containing food or drink cannot be displayed for decoration, such as empty alcohol bottles

Extension Cords and Multiple Plugs
An extension cord must be UL approved, 16 gauge, and not exceed and un-spliced length of six feet with a polarized plug and a single outlet. It may not be placed under floor coverings or furnishings and may not be secured by penetrating the insulation.

Flammable Items
Items such as fuel, etc., may not be stored in residents’ rooms or apartments.

Fire Lanes
Items that pose a fire hazard in a resident’s apartment/suite/room are prohibited. These items include, but are not limited to, flammable liquid (i.e. lighter fuel), items that require an open flame to operate (e.g., Bunsen burners, lit candles, fireworks, grills, alcohol burners), and items that have an exposed heating element (space heaters, hot plates, toasters, toaster ovens).

Fire Equipment
Equipment is provided to monitor fire safety conditions. Misuse of these items or other emergency equipment constitutes a danger to the safety of the community. Tampering with, vandalizing, or misusing fire safety equipment is prohibited and constitutes reason for eviction and up to expulsion from KSU. Familiarize yourself with the location and operation of fire equipment and evacuation routes. Fire equipment is also located throughout the corridors and includes, but is not limited to, alarms, extinguishers, smoke detectors, door closures, alarmed doors, and sprinklers. Safety drills will be conducted in accordance with state law. Failure to evacuate when alarms sound is grounds for disciplinary action and fines.

Ironing
Ironing is permitted, but irons must always be used with ironing boards that have a fire-resistant cover. Irons should never be plugged in when not in use or left unattended. Irons with automatic cutoff mechanisms are encouraged.

Open Flames
Items which require an open flame to operate or which produce heat (i.e., Bunsen burners, candles, alcohol burners) are not allowed in the facilities. Unlit candles may be used.
Weather Safety
University Police provide all guidance during weather emergencies. Cobb County Emergency Management Agency (CEMA) operates a tornado siren on campus, which is tested at noon on selected Wednesdays. If a non-test tornado warning sounds, move to the lowest level interior area available, stairwell, or an interior bathroom without windows. Crouch down and cover your head. If outside, move at right angles to the tornado as you seek shelter.

Architectural Structures
Antennas
Radio/television antennas or other objects shall not be placed or erected on the roof or exterior of buildings.

Buildings
No defacement on the outside or inside of any building within the communities is allowed. Such defacement will result in fines and student conduct action.

Balcony or Patio
The balcony or patio shall be kept neat and clean at all times. No rugs, towels, laundry, clothing, appliances, or other items shall be stored, hung, or draped on railings or other portions of the balcony or patio. The University Village has no balconies, even though some units contain decorative features with operable doors that may resemble a balcony. Storage or use of cooking grills is not permitted on balconies or patios. Fines will be assessed if inside furniture or other unauthorized items are found on the patio.

Cleaning
Residents are expected to appropriately clean and maintain the units, including but not limited to bathrooms, kitchens, and bedrooms. Lack of cleaning can result in unhealthy living conditions, odor, mildew, mold, pests, etc. Residents are expected to clean regularly and comply with all requests made to maintain a healthy environment. Failure to clean can result in fines and student conduct action.

Entrances, Hallways, Walks, and Grounds
Entrances, hallways, walks, and other public areas shall not be obstructed.

Fixtures
Residents shall not display any signs, exterior lights, or markings. No awning or other projection shall be attached to the outside of the buildings. No satellite dish or other signal receiving equipment may be attached to the balcony or building exterior.

Fountains
The fountains are located on the property for aesthetic purposes. Bubbles or soap of any kind, gelatin, vehicles, dye, trash, or people are not allowed in the fountains at any time. Violations will result in student conduct action.

Internet/Cable
Residents must not tamper with any internet/cable wiring/fixtures and must comply with all usage rules as outlined in any Housing and Residence Life documents.

Locks
Locks may NOT be changed/installed by residents. Locks and all original keys/key cards must be returned upon vacating the premises, including temporary move-outs if applicable.
Painting
Housing and Residence Life staff maintain all paint and finishes throughout the residential communities for aesthetic consistency and appropriate condition. Residents may not paint or alter in any way the walls or finishes in any on-campus housing facilities.

Trash
All trash and garbage will be placed in designated trash receptacles located in or near the community. Residents must deposit trash and refuses directly into designated receptacles and not leave in the units or common areas, hallways, balconies, or similar places. Residents agree to place trash inside the receptacle, not outside the receptacle or in the surrounding area. Housing and Residence Life staff reserve the right to impose fines for violation of this policy as well as for littering, and residents will face student conduct action.

Walkway
All walkways are intended for pedestrian use only. No cars or motorized vehicles are allowed on the pedestrian walkways at any time with the exception of emergency or maintenance vehicles. Skateboards and bicycles should be used with great caution, always yielding to pedestrians. In addition to student conduct action, violating this policy can result in police and legal action.

Windows and Structures
All windows and similar structures may only be used for their intended usage, and any safety or security devices installed must remain in place at all times. Use of foil and other similar unsightly materials, including but not limited to, neon or flashing lights, advertisements on or over windows is strictly prohibited. Windows and doors shall not be obstructed. Blinds are provided on windows, and such blinds shall not be removed. If residents install draperies over the blinds, any damage will be repaired, and draperies will be removed by residents at their own expense. Damage to property, including but not limited to paint, plaster, cabinets, carpets, floors, furniture or damage to any part of the premises caused by leaving windows or doors open during inclement weather will be the responsibility of the residents.
